As you know we are now accepting PayPal for your convenience. Here are the answers to some frequently asked questions by parents.

Yes. There is a \$0.60 per transaction fee to help offset the cost of using PayPal and to ensure all possible money raised goes back to our awesome school!

Do you need to have a PayPal account?

No. If you don't have a PayPal account you can safely and securely make your payment with your credit card. If you do have a PayPal account you can pay with your PayPal account balance, directly from your bank account or with a credit card.

What if I have more than one child ordering pizza?

If you only have one child at the school that's not a big deal. But what if you have 2 or 3 or more? It's easy! Simply place each child's order and when you finish with the last child hit the "**Pay with PayPal**" button and make one single payment for all your children.
